July 14<sup>th</sup> 2019

### **DOGS**

Having attended the Cocker Spaniel Clubs Championship Show for the last 30 years both as a spectator and exhibitor I was honoured and humbled to be invited to judge Males at this, the most prestigious event of the year for our breed.. A task to be carried out with the integrity it commands. I was looking for exhibits that, in my mind, epitomised the standard of, "The Cocker Spaniel".

Sincere thanks the officers, committee and members for having confidence in me. A day I will remember fondly forever.

To the dedicated team who work tirelessly "behind the scenes" planning and delivering such wonderful event, credit to you all.

To my stewards, Mr & Mrs David Howell, who kept the procedures flowing smoothly throughout the day, Thank you.

On the whole exhibits were presented in a clean condition but knots and matts evident in several. The bites on one or two a little "untidy".

Thank you to the exhibitors for entering your dogs and for the sporting way, in most cases, my decisions were accepted. Some difficult decisions to be made several classes.
