DOGS

I would like to thank the Officers and Committee for my invitation to judge the dogs at this years Championship Show. Also a big thank you to the willing exhibitors for bringing your quality dogs under me, I greatly enjoyed the experience. B I S on the day was Sh Ch Zheridons Blanche which I agreed with and R B I S was Carmelfair Cesare from Misperros, Best Puppy was the dog Royal Quest Powring Rain on the referees decision and Best Veteran Sh Ch Riondel Candyman J W. Huge thanks to my stewards Damien and David who kept both me, and my ring in order all day.

I have to make 2 observations from the day which I feel really need addressing in our lovely breed, firstly feet, the standard states, "firm, thickly padded, cat-like" unfortunately many of the exhibits were very much lacking in this quality, and some feet could have been greatly improved with better trimming. Secondly, I was very surprised with the incorrect dentition I saw on the day, far more than I have ever seen before, I hope these are not going to be bred from in the future.
